CABERNET SAUVIGNON

An entry level release from this team based on 80% Cabernet Sauvignon, 10% Malbec, and 5% each Merlot and Petit Verdot, the 2019 Relevant is still a smaller production cuvée with just over 2,000 cases produced. Its deep ruby/purple color is followed by a beautiful, full-bodied, forward, sexy red offering loads of currant and blackberry fruits, nicely integrated oak, notes of tobacco and lead pencil, soft tannins, and a great finish. It's ideal for enjoying any time over the coming decade, if not longer."
