

2016 CROWN POINT ESTATE SELECTION

JEB DUNNUCK 97 POINTS

Deeply colored, it has a smoking good bouquet of crème de cassis, smoke tobacco, lead pencil, camphor, and hints of chocolate. This gives way to a powerful, opulent Cabernet Sauvignon that has plenty of sweet tannins, a layered, multi-dimensional texture, no hard edges, and an awesome finish. I'd happily put this beauty in a lineup of top Napa Valley Cabernet Sauvignon and blends.

Jeb Dunnuck

WINE ADVOCATE

97 POINTS

The 2016 Estate Selection is a blend of 75% Cabernet Sauvignon, 10% Merlot, 6% Petit Verdot, 6% Cabernet Franc and 3% Malbec. Deep ruby-purple, the nose is plush, open and youthful, with savory aromas of blackcurrants, tobacco leaves, olives, dried flowers and cast iron. The palate is silky and seamless, with an extraordinary interplay of savory and floral character. Its refinement, uniqueness and length confirm the outstanding quality of the 2016 vintage, and this promises another two decades of aging potential in the cellar.
