October 30, 2019

2019 was a fascinating vintage at Crown Point, where we experienced a mild, wet winter with delayed flowering and harvest. A warmer summer followed with eleven days above 100 degrees from June through September, ripening accelerated, providing an attractive sweetness to the wine. October offered a respite for the vines and extended hangtime with temperatures consistently in the 80s. While the summer heatwave marks the vintage, the cooler weather allowed the vines to recover and gracefully adapt.

Intense aromas of chocolate, black cherry, and raspberry intermingle with savory notes of sage and thyme. The tannins are lithe, intertwining with flavors of black cherry, coffee grounds, and crushed rocks. The 2019 Estate Selection has a perfect balance of fresh acidity followed by bright fruit and minerality that extend the finish, foreshadowing significant aging potential.

The medium-bodied palate is velvety, expansive and seamless with energetic acidity and haunting herbal wafts on the finish.

Medium to full-bodied on the palate, it's perfectly balanced, has great tannins, plenty of midpalate depth, and outstanding length.
